Purpose

This is a gentle healing book to
awaken ~ access ~ actualize your dreams, your goals
to trust the wisdom of your inner play-mate
that voice within ~ to be used alone ~ in a group
or as a teaching tool

Change your mood
Create a new perspective

Let creativity be your quick fix

Dust off the caps of paint of vivid color

Then

Yellar

Wow wee

I'm ready

I'm ready

To

Wake up

That

Real me within me ! //

Magic... Magic... Magic

Do not
disturb
universe at
work

Magic is in the air when . . .

I _____ stop looking for

(inner play-mate's name)

(the who or what I'm yearning for)

and trust it, in whatever form is best, _____ will

(the who or what)

come into my life - that's freedom !

For more magic,
paint page a
bright color
sprinkle with
fairy dust

"You are what you think about."

-Earl Nightengale

Wake Up Your Magic™ again and again. This book provides tools for people who want to create an environment for positive change and ignite their passion. Day by day - step by step put your dreams, your goals under the Red Polka Dotted Pillow and discover:

more meaning in life
more commitment to who you are
more energy
and sooo much joy

"Your gift to the world of gentle healing is magnificent."

—Terah Kathryn Collins
